**CALLING TO GOOD:  
Islamic Mentoring and  
Guidance in a Modern World**

**M. Fethullah Gülen**

ISBN: 9781597849586

Ebook: 9781597849944

Size: 6 x 9

182 Pages / \$19.95

“Calling to good and preventing wrong” can be classified as a duty in the framework of teaching others about faith (tabligh). Literally meaning “to reach out” or “to convey,” tabligh is directed to raise the consciousness among people about their responsibility towards religion. It disseminates knowledge about living one’s faith in a principled way. Therefore, any discourse, or any act, that conveys, communicates, reminds, promotes, or publishes the teachings and commands of God to the unknowing—or to the less informed—or any discourse or act, that discourages or prevents people from being wrong, unjust, or evil, comes under the meaning of this word, tabligh.

Rooted deeply in the Qur’an, hadith, and commentaries of notable scholars, the book in your hands is a precious resource to comprehend the context and dynamics that make spiritual mentoring and guidance an important part of a faithful life. The content of the book consists of transcripts of a series of sermons M. Fethullah Gülen delivered early in his career as a preacher. While presenting extensive commentary based on examples from the time of Prophet Muhammad, peace be upon him, and Rightly Guided Caliphs, Gülen does so with awareness of the realities of the modern era, especially with regards to being free from political interests and keeping the scope as wide as possible so to embrace the whole of humanity. The book supports the idea that spiritual mentoring and guidance is an important duty and highlights some principles mentors should take into consideration. While being an essential reference for mentors and counselors in the Muslim community, the book offers many universal principles that all faith communities can benefit from and refer to in their services.

**M. Fethullah Gülen**

M. Fethullah Gülen is one of the most influential scholars in the Muslim world today. His ideas have inspired millions to take part in a civic movement of intercultural and interfaith dialogue and educational activism, which produced hundreds of quality schools and dialog organizations in more than 110 countries. Gülen is the author of numerous books, including *The Essentials of the Islamic Faith*, *Questions and Answers about Islam*, *Key Concepts in the Practice of Sufism*, *Pearls of Wisdom*, and *Toward a Global Civilization of Love and Tolerance*.

## DEVOTED TO THE TRUTH

**M. Fethullah Gülen**

Hardcover: 9781597849548

Ebook: 9781597849548

Size: 6 x 9

154 Pages / \$19.95

For decades, Fethullah Gülen spoke on religion together with science, addressed challenging issues on faith, and inspired a generation to promote education and dialogue around the world. Those who listened to him felt empowered by this engaging and learned man of religion. To the ruling establishment of Turkey, his native country, these activities were assumed to be crossing over the line, and they made sure he suffered the consequences, especially throughout the second decade of the twenty-first century. Gülen and the people he inspired were scapegoated for the failures and malfeasance of a corrupt regime which conducted a nationwide crackdown on affiliated schools, foundations, and media organizations, while hundreds of thousands of teachers, doctors, journalists, civil servants, and supporters affiliated with them were purged and incarcerated, especially in the aftermath of the “staged” coup attempt in July 2016. *Devoted to the Truth* is a series of essays Gülen wrote following this event. What transpires from this collection is a seasoned leader who is going through all the blood, sweat, and tears to keep his ship afloat, the crew and passengers safe and calm. When the world seems to be in darkness, we find Gülen calling out to his community that this “Eclipse” is over, and inspires them how to be “Travelers to the Light.” As he leads his followers on this journey, he teaches how they should hold themselves to account by “Facing the Self.” While feeling “Pity” for the perpetrators of all the persecution they are going through, Gülen shows the path on to how to “Heal” and take action “So Others May Live.”

### ENDORSEMENTS:

*“These essays provide an insight into how to keep going in the face of pain. Gülen keeps going back to the core message he has been preaching for a long time: depend upon God, look to yourself, look to the created world, and reach out in compassion and peace.”*

**Rev. Prof. Simon Robinson**

*“In this book, you will find moderate and balanced thought and righteous deeds [and Hizmet’s] rational and mature Islamic authenticity in essence, spirit, and content, alongside contemporaneity in form, tools, and methods of work and activity.”*

**Prof. Dr. Mohamed Abdallah El-Sharqawy**

## THE ULTIMATE TREASURE

*Dr. Sana Imtiaz Khan*

ISBN: 978-1-59784-962-3  
 216 pages  
 Ebook: 9781597849975

During a homeschooling session about Qur'an tafsir, Dr. Sana Khan's then 8-year-old son spoke the three words that are a bane of every parent's existence—I am bored. Perhaps if on that afternoon he had spoken any other words, the stories you hold in your hands would not have come into existence. That very night, as a result of divine inspiration, the first of these stories was penned. Each story combines literary fiction elements that make reading so appealing to young minds—relatable characters, complex plots, real-world and age-appropriate challenges—and contextualizes them within the central message of each Surah in Juz 'Amma.

An immersive reading experience thus becomes infused with the best kind of knowledge—that of the book of Allah. A short quiz is provided after each story to assess the child's understanding of the main concepts in the Surah, serving as an effective marker of progress.

**Dr. Sana Khan** is a Board-Certified Family Medicine physician and mother of two elementary school-aged sons, both of whom she homeschools. Reading and writing literature have been Dr. Khan's lifelong passions, and she is currently pursuing a Master's Degree in Creative Writing and Literature at Harvard University. Her biggest goal is to use her writing for the sake of Allah, helping design resources to enable Muslim parents to teach their children about Islam in a manner that is lighthearted, engaging, and effective.
